3 The final acceptance of the tender will rest with the Executive Engineer, Superintending Engineer, and Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

4 The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval of the tender.

5 The earnest money of the rejected tenderers will be refunded on application only after any of the tenders is received approved and two months after the receipt of tenders, if the tender of the successful contractor has not been received approved.

6 Copies of estimates and plans can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

7 Specific rates should be quoted both in figures and in words for each individual item of works, tenders offering percentage reduction and increase will be rejected.

8 For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the schedule of rates.

9 All over-writing and corrections while submitting the tenders should be attested by the tenderers.

10 The quantities given in the estimate are only approximate, and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 The contractor should make his own arrangements for transportation of materials.

13 Only Chamundi Brand cement must be used for the construction. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary insure at the proper time.

14 The contractor should arrange for the payment of royalty, tolls, taxes, etc.

6492

N. V. BABU REDDY,
2125 *Inspector-General of Police.*

OFFICE OF THE DISTRICT SUPERINTENDENT OF POLICE, MYSORE ARMED RESERVE POLICE.

Notification dated 20th December 1952.

No. A3. C. 175—51-52. It is hereby notified that 4,030 feet of Rubberised Hosepipe in pieces of 75 feet and 100 feet of 2½ inches diameter standard size will be sold in public auction at 11 A.M. on 26th January 1953.

The hosepipe is available for inspection in the Office of the Chief Fire Officer, Bangalore Fire Brigade, Mysore Road, Bangalore City, on all working days during the working hours.

Auction will be conducted in lots and sold to the highest bidder, subject to the confirmation of the sale by the Inspector-General of Police, with whom rests the right of approving or cancelling the sale without assigning any reason therefor.

The purchasers have to advance an amount not less than 25 per cent of the bid amount on the spot. This amount will be adjusted towards the sale amount in due course when the confirmation of the Inspector-General of Police of the sale is received.

Full settlement of the sale amount has to be made before the articles are removed by the purchaser.

If the purchaser fails to remove the articles, after full payment of the money within a fortnight after confirmation of the sale, the articles will be resold in auction, and any loss will have to be made good by the purchaser.
